AYA EL HABBAL

• **Front End Developer** • Engineer •

ABOUT ME

.I'm an Industrial Engineer. I worked in a lot of fields over the past 5 years but I have always been passionate about developing and designing.

So, I've finally decided to shift careers and to become a UI/UX Developer. I am a keen worker as I love to create and think out of the box! Here's a peek into what I've been up to.

EDUCATION

2009 - 2012 • High School • Al Mawakeb School - UAE --- GPA:3.7

2012 - 2017 • Industrial Engineering • Arab Academy for Science and Technology --- GPA 3.69
